🔗 Biography

Andre's Mixed Pair Partner is Xiau-Ling Wee. Born in Viuuitsa, Ukraine, the 6 foot, high school senior begins his first year campaign on the U.S. Elite Team. A three-time gold medal winner at the U.S. National Championships, Andre trains under his father and coach, Anatoliy Solodar, and continues to pursue success at the national and international levels. He received a 7th place finish at the World Age Group Games competition in 2004. He also received the Courageous Sprit Award in 2004, which is an annual award given to an athlete at Nationals who demonstrates courage in competition and training. Persevering through a broken arm, Andre overcame a great physical obstacle. He has future ambitions to graduate from college and become a sports medicine physician.
