Personal Info

Shelley is the daughter of James (process specialist) and Marina (teacher) Klochan. She has one sister, Katrina, who also competes in tumbling, trampoline, and double mini. Shelley's favorite subject in school is chemistry. She enjoys watching *Everybody Loves Raymond* on TV. Her goal is to medal at the World Championships and to increase her confidence and become more disciplined. Klochan's role model is Julie Warnock of Canada because "she now holds the world record for difficulty in women's double mini and her double mini is amazing."
